Comprehensive OET Guide.

OET Exam Structure (2025)

1. Listening (≈40 min, 42 Questions)

- **Part A:** Two patient consultations → Fill in notes.
- **Part B:** Six workplace extracts (e.g., handovers) → One MCQ per extract.
- **Part C:** Two healthcare presentations → Six MCQs per recording.

2. Reading (60 min, 42 Questions)

- **Part A:** Four short texts on one topic → 20 skimming/scanning questions.
- **Part B:** Six workplace texts → One MCQ per text.
- **Part C:** Two healthcare articles → Eight MCQs per text.

3. Writing (45 min)

- **Task:** Write a **referral/discharge letter** based on case notes.
- **Structure:** 5 min (reading notes) + 40 min (writing).

4. Speaking (≈20 min)

- **Format:** Two doctor-patient role-plays (5 min each).
- **Prep Time:** 3 min per role-play.

Proven Strategies to Achieve Gold Badge Success

From Someone Who's Been There

I've not only **achieved the OET Gold Badge myself** but have also mentored **multiple students to Gold Badge scores**—most of them scoring **400+ in Speaking**. This document compiles the **exact strategies** I shared with them.

Follow it diligently, and you'll maximize your chances of success.

Study Plan & Resources

Step 1: Master the Basics

Writing

1. **OET Writing in 6 Minutes** – Quick overview.
2. **Ultimate Letter Structure** – Format perfection.
3. **Case Notes Analysis** – Extract key details efficiently.
4. **Step-by-Step Sample Test** – Guided practice.
5. **Tips & Tricks for High Scores** – Includes **1 free practice letter**.
6. OET Writing Sample Practice Test - 2025!

Speaking Practice Instructions:

For your speaking preparation:

1. Download the official OET speaking role-play cards
2. Retain the question card for yourself
3. Provide the answer card to your practice partner
4. Conduct mock role-plays to simulate exam conditions

   You're Ready! 🚀

   Practice consistently, assess your work critically, and aim for **Gold Badge performance!**

Struggling with Speaking? Let's Fix That.

The speaking sub-test costs many students their Gold Badge—but it doesn't have to be your weakness.

Here's what my students get:

- **400+ scoring strategies tailored to OET's criteria**
- **Realistic role-play simulations with expert feedback**
- **Confidence-building techniques to handle any scenario**

Limited-Spot Coaching Packages:
✅ 2 Sessions - 149$

✅ 7 Sessions - 249$ (Ideal for comprehensive improvement)

🎓 Passed the OET? Now Let's Make Programs *Want* You

Your Gold Badge Was Just the Start—Let's Build an ERAS Application That Turns Heads.

You've proven your communication skills.
But in the 2026 Match, that's not enough.

To secure interviews, your ERAS application needs to stand out—not just in content, but in strategy.

At P2A Consultancy, we don't just "help with the application."
We work with you to:

- **✅ Build a story**
- **✅ Sharpen your messaging**
- **✅ Create a profile that programs remember—for all the right reasons.**

🔑 What We Help You Achieve

✅ Personal Statements That Make Interviewers Take Notes

Crafted to reflect your journey, your strengths, and your *fit*—our statements have been mentioned in interviews for their clarity and conviction.

✅ Program Signaling That Gets You Noticed

No U.S. research? No publications? No problem.

We guide you to use ERAS tools strategically and highlight what makes you match-worthy.

✅ **An ERAS Application That Sells Your Value**

From CV gaps to LOR phrasing, we tailor every section to make you come across as confident, capable, and ready to match.

> ***"The strongest applicants don't just check boxes—***
> ***they tell a story that makes program directors say,***
> ***'We need to meet this person.'"***

🚀 Ready to Build an Application That Opens Doors?

🎯 **Book Your FREE ERAS Strategy Session Today**

⚠️ ***Spots for the 2026 Match are filling fast.***

Let's start building your competitive edge—before someone else takes your interview slot.

Bonus Resource: Official OET Study Tips & Inspiration

A student recommended this excellent free resource from the official OET website. It is packed with practical, exam-focused advice - the Grammar & Punctuation column and the Writing column are especially worth your time.

What you'll find:

- Grammar & Punctuation column - clear, targeted guidance to clean up the errors that cost marks in the Writing sub-test.
- Writing column - structure, tone, and letter-craft tips that map directly to OET writing criteria.
- Plus ongoing tips & inspiration - regularly updated study advice straight from the official OET team.
